MEMORANDUM FOR THE RECORD

SUBJECT: Pilot Productivity Initiative Meeting

25X1 1. A meeting was held on 9 August for the purpose of clarifying certain questions raised by the Executive Director regarding the FBIS Pilot Productivity Initiative. Attending the meeting were Executive Director James Taylor, Comptroller Leo Hazelwood, Director/Office of Personnel Roy Elmendorf, Director/Foreign Broadcast Information Service R. W. Manners, Chief/Planning and Component Support Division/OP [redacted]

25X1 [redacted] and FBIS referent on the DS&T Staff [redacted]

25X1 2. After extensive discussions of the Initiative and a pending Office of Personnel proposal, it was agreed that:

a. The OP proposal relative to position classification, currently on the desk of the ExDir for approval, met all the FBIS requirements for a dual track for their language officers;

b. The Comptroller had already approved the experimental combining of personal services and nonpersonal services funding;

c. The FBIS proposal did not require DCI approval;

d. PCSD would provide FBIS with generic standards for language officer positions at the journeyman level and above;

e. D/FBIS will be held responsible for certifying the standards for the language officer positions;

25X1 f. Two weeks after the ExDir's approval of the OP proposal, FBIS should be in a position to initiate the experiment.
